A. Questions Received in Writing:

- Question: In the US Communities requirements, Section 7. Bonding Capacity, it states that bidders must be capable of securing a Performance Bond up to \$50,000,000. Since this is a local contract for Cobb County and the State of Georgia and Cobb County project totals are both under 3 million dollars per year, why is this a requirement?

Answer: Cobb County is the lead agency for this Cooperative Nationwide Solicitation with a requirement of no less than 2 turn-key jobs in at least 25 states the past 24 months. This contract will be applicable in all 50 states, therefore the 50mm bonding capacity is needed.

- Question: It seems to limit small business participation. Can the bonding capacity requirement be lowered to the equal the past year actual contract amount?

Answer: No, since this is a National Solicitation, the Bond Capacity is necessary.
